Report of Principal and School Improvement Council

The 2011-2012 school year was an exciting and successful year at Monaview Elementary School. Title 1 Planning/SIC Committee, PTA, Faculty Council, staff, and students worked together to establish a shared vision. As a learning community, Monaview used the Greenville County School's Educational Plan as a framework to establish and implement directional goals which led to increased student performances in the core subject areas of English Language Arts, and mathematics as measured by MAP. After reviewing current test data, SC State Standards, and student benchmark data priority goals were established to increase student performances in mathematics and reading. Strategies to support these goals included continued professional development in Calendar Math, Differentiated Instruction, Balance Literacy Training, and vocabulary development for all teachers and support staff. With the assistance of teachers, students established individual academic goals for the school year. Academic rigor in instruction was established in all grade levels; and supported through the implementation of intervention groups for reading and math. Monaview Elementary accomplishments and plans for the future: Monaview received the Palmetto Silver Award in the categories of General Performance and Closing the Gap, Teachers continued to receive training through the Peace Center Arts Program, Monaview was recognized with a banner for being considered a part of the "Safe School's Program," Monaview will continue a collaborative partnership with Communities in Schools, Monaview was awarded the Fresh Fruits and Vegetable Grant for 2011-12, The 2011-12 school theme will continue to be "Learning is a Treasure," Monaview will continue its school wide discipline program, PBIS, Monaview will continue the daily news show staffed by the students, There were and will continue to be student activities such as Student Council, Safety Patrols, Library Cadets, D.R.U.M. Club, Chorus, and Recorder Club, Monaview will continue to review data from a variety of sources and set new goals for increased student performances in all core subjects, and Administration, Faculty Council, Staff, PTA, Title I Planning/ SIC Committee, Parents, and the Community will continue to build a collaborative, cohesive team so that all students are successful both academically and socially.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
